Picture Book Biography

BROCHURE

About this Brochure

Nonfiction stories can open doors for readers. Through them, we can learn about the lives of some of our greatest heroes and be introduced to new ones. We can learn about new fields of study, and encourage students to open their minds to new subjects and activities they might never have tried before. They can also provide a mirror for readers, showing that they are not alone in their experiences or interests. Picture books are a wonderful way to bring readers of all ages and backgrounds together.

This collection of nonfiction picture books can inspire readers and spark their curiosity. It spans a wide range of topics and themes, from history to art to STEM. By sharing these books with your readers, you will be opening doors for them and inspiring their futures.
